

## THE LAW & STUDENT CELL PHONES: A BEST PRACTICES WORKSHOP FOR SCHOOL ADMINISTRATORS

Student cell phones present new and unique challenges for school administrators. In this legal workshop, Attorney Zachary Schurin of Pullman & Comley, LLC will give attendees a guided overview of the key legal principles that apply to cell phone search and seizure, social media-related discipline, the handling of "sexting" images and videos and related issues.

This session will focus on real-life examples and the latest legal case law in this rapidly evolving area. Registrants are invited to submit questions in advance. Attorney Schurin will do his best to address them during the session.

## WITH ZACHARY D. SCHURIN, ESQ. PULLMAN & COMLEY
