

THE URBAN LEADERS ACTION NETWORK

**NEW
NETWORK
LAUNCH!**

APRIL 28, 2026 | 8:30 AM - 11:30 AM

*A gathering for **urban principals, assistant principals and deans** who want real connection, honest dialogue, and practical strategy-sharing.*

*This is not a **sit-and-get session**.*

It's a structured, purposeful networking experience designed to bring urban leaders together around the realities of our work.

During this three-hour session, you will:

- Engage in **structured speed networking** conversations
- **Surface shared leadership** challenges
- **Collaborate on real problems** of practice
- Help shape the direction of this **new leadership network**

The April session is just the beginning.

Participants will have opportunities to continue the exchange through future virtual meet-ups and targeted professional development events.

Come ready to connect. Leave with momentum.
