

# NEW ADMINISTRATOR MENTOR-MENTEE PROGRAM

## Tier II – Program 4

MARCH 28, 2006

*Building your team . . . How do you recruit, hire, and retain the best staff?*

*To quote Jim Collins, “First Who . . . Then What” It all starts with whom you hire – perhaps the single most important decision set for a school leader – but it doesn’t end there. What happens next is crucial in determining the success of the newly hired teacher and, ultimately, of your school. A panel of presenters who have taken Collins’ mantra to heart will share their strategies and successes and, in the process, help you to evaluate and enhance your own team-building skills.*

### Presenters

- Mary E. Hourdequin, Principal, King Phillip Middle School, West Hartford
- Gilbert Rebhun, SCSU Education Leadership Department, former Principal, Ridge Road School, Hamden
- Mark L. Winzler, Human Resources Director, Windsor Public Schools
