Former President Bill Clinton Visits Connecticut To Thank Students for Tsunami Effort

CAS has invited former President Bill Clinton to come to a CAS event and personally thank Connecticut schools for raising enough dollars to build a model 1,500 pupil school in Sri Lanka, an area severely hit by the Tsunami. The former president has accepted CAS' invitation and is anxious to meet with those students involved in this effort. Governor M. Jodi Rell, Congresswoman Nancy Johnson and Education Commissioner Dr. Betty Sternberg, have also been invited to this celebration. Senator Christopher Dodd, who made the arrangements for the Presidential visit, will introduce President Clinton.

Every Connecticut school that participated in the CAS Tsunami Relief Effort is invited to attend this once-in-a-lifetime event. Each participating school may send six people, at least four of whom must be students connected with their school's Tsunami fund raising effort. The adult/s attending with the students selected may be a teacher, principal, superintendent or parent.

The celebration will be held on October 3, 2005, at the O'Neill Center located on the Westside Campus of Western Connecticut State University in Danbury. The event will begin at 1:15 pm. Because this is a presidential visit, students should be dressed accordingly. Every school attending will select one student to sit on stage with the President. If your school is planning to attend this very special event, please fax this form to Dr. Robert Carroll at 203-250-1345. A formal invitation and directions to the campus will be sent to each participating school.
