For almost 5 years, CAS has partnered with WTNH, the ABC affiliate in Connecticut, on a feature called "What's Right with Schools". It airs Tuesday evenings at 5:55 PM on Channel 8 and it is posted on [wtnh.com](http://wtnh.com).

We invite you to submit ideas for stories that we can feature on this weekly segment. These are positive pieces that can showcase students, teachers, music, art - or anything else that you feel makes your school special. Keep in mind that, because this is for television, the story needs to have visual elements that can be captured on film.

Laura Hutchinson is the morning anchor/reporter who fronts the piece. She will visit your school with chief photographer, Mike Piskorski. This is a 90-second segment which is filmed on Wednesdays at 10 AM and is edited to air the following week.

*We hope you will take advantage of this opportunity to spotlight the great things that are happening in your school or district!*
