

Discover & Lead: Personal development requires both actions. We must engage in situations and with people who will expand our knowledge and reveal our mindset, our skills and new information. In turn, we then must design and direct a course toward our highest level of development and desired achievements. This conference will be an introduction to this process.

You will engage with uniquely talented presenters in exercises designed to uncover abilities and explore your vision of self and the possibilities for your future.

KEYNOTE SPEAKER

Omari Pearson

Omari Pearson is quickly becoming a sought-after leader in education-driven life skills and mentoring. As an author, speaker and consultant, he seeks to provide a generation with direction to attain their life goals through education and mentoring. He is the Founder and President of Passion to Purpose, LLC, an education-driven life-skills and mentoring company equipping middle

school, high school and college students with the necessary knowledge to empower themselves to be effective and productive members of society. Omari has served as a consultant and trainer to the National Federation of State High School Associations (NFHS) and several state high school's athletic and activity associations. In addition, has served as a speaker for the NFHS National Student Leadership Summit. Omari was a high school, collegiate and professional basketball player.
