Do you know an outstanding elementary school principal?

The Connecticut Association of Schools (CAS) has opened nominations for the *2017 Elementary Assistant Principal of the Year Award* (also known as the *National Distinguished Principal Award*). This award is designed to recognize outstanding elementary school principals who have demonstrated extraordinary leadership, a passion for educational excellence, a commitment to their students and staff, and service to their communities.

If you feel that an elementary principal in your system is eligible for and worthy of this honor (see criteria below), please complete the [online nomination form](#) and submit two one-page letters of recommendation and a copy of the nominee's résumé no later than 5:00 p.m. on January 13, 2017. (**NOTE: Only two letters of recommendation will be accepted. Nominations submitted with more than two letters - or with letters that exceed the one-page limit - will not be considered.**)

The letters of recommendation should be written with a mind to the selection criteria listed below. These letters should be of not more than one page each and should outline how the principal's leadership has created an effective learning community affecting staff morale, community support and student interest and achievement. Please note that one of the letters must be from a school administrator or a faculty member. The second letter must come from a faculty member, a parent or a community representative. Please remember to upload a brief copy of your nominee's résumé to the [nomination form](#).

Finalists will be chosen from the pool of nominees by the CAS National Distinguished Principal Selection Committee. The finalists will be asked to complete an award application packet and to submit a portfolio. The applications/portfolios will be due at CAS in early March 2017. The committee will select the state honoree after reviewing the finalists' applications/ portfolios and visiting their respective schools.
