WELCOME TO THE CIAC BOYS & GIRLS BASKETBALL CHAMPIONSHIPS

On behalf of the 2017-2018 CIAC Boys' and Girls' Basketball Committees we would like to welcome all of you to the Mohegan Sun for this weekend's state boys' and girls' basketball finals. Along with an exciting weekend of basketball with nine championships culminating three weeks of Tournament action the Committee is happy to honor an illustrious group that have given numerous years of service to both boys' and girls' basketball in Connecticut: Mark Scozzafava , IAABBO Board #7, Official; Bill Vasaturo , IAABBO Board #9, Official; Norb Fahey, Maloney High School, Retired Boys Basketball Coach; Kathy Rusch, South Windsor High School, Retired Girls Basketball Coach; John Holt, Contributor, Reporter; Linda Wooster , Contributor, Historian. And finally former coach, athletic director and Principal of East Hampton High School John Fidler, who is being recognized with the Tournament Dedication Award.

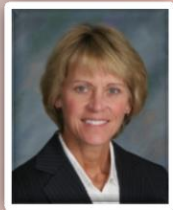

The basketball committee is thrilled to continue our relationship with Mohegan Sun which has helped create an atmosphere and venue for our finals that is second-to-none and is why we elected to honor their commitment to the CIAC with this year's Tournament Dedication. We know the players, fans, and coaches will provide competition that is equal to this wonderful setting. Along with establishing a set of eligibility standards and a code of ethics that has enabled us to administer our competition in a fair and equitable manner the basketball committee stress the importance of sportsmanship from all those taking part in this weekend's festivities. Please support this effort by supporting the players, officials and coaches in a positive manner and cheering for your team not against the opponents.

The eighteen teams gathered here this weekend have survived the rigors of tournament play and deserve a great deal of credit for their achievements. Nine teams will be declared state champions, but we wish to think of all teams as champions for what they have gained playing this year. We are very proud of them all and salute the dedication and sacrifices they have made throughout this season and their entire careers.

The basketball committees would like to sincerely congratulate all of the athletes who will be participating in this weekend's championship games and wish to extend our gratitude to the hard-working members of both basketball committees, our tournament directors Jiggs Cecchini and Dave Maloney, our generous neutral-site hosts for earlier rounds, the staff at the CIAC and our hosts at Mohegan Sun.

Enjoy the finals.

CIAC 2018 Dedication Award

John Fidler

John Fidler was the consummate educator over the course of his life, supporting all students through a variety of roles from the classroom and administrative offices, to the athletic courts and fields. His legacy is reflected in the outpouring of emotion and love demonstrated by the East Hampton community upon his passing in July of last year.

A Connecticut native, John was born in Hartford in 1957 as the son of John and Nellie Fidler. He grew up in South Windsor where, in an early indication of the passions that would define his career, he excelled academically and athletically. He was an All-League basketball player at South Windsor as well as a National Honor Society member. His impact and achievements were recently recognized with his induction into the South Windsor High School Sports Hall of Fame.

John was a graduate of the University of Connecticut where he earned degrees in special education and administration. He also was a founding member of the UConn Ultimate Frisbee Team, a club sport that is still going strong nearly 40 years later.

He then made his mark as a member of the East Hampton school district, serving in countless roles over the course of his 27-year career and impacting innumerable students in each of his positions. He began in East Hampton as a special education teacher serving in that role for fourteen years. He then moved to East Hampton Middle School, first as assistant principal, then principal. Finally, in 2011, John assumed the position of principal at East Hampton High School, a position he held until his passing. His work at East Hampton Middle School was recognized by CAS-CIAC with selection as Outstanding First Year Principal.

While John made his way through various teaching and leadership positions, he was never far from his passion for athletics. He was a highly successful basketball and soccer coach at the high school, and also assumed the position of athletic director for five years. He was an ardent advocate for the value of athletics and all interscholastic programs and had great respect for the mission of the CIAC to promote athletic participation.

John was a highly active individual and could often be found pursuing his passion for mountain biking, hiking, or camping during his free time.

John's death was a devastating loss to the school district and the entire East Hampton community. It was estimated that more than 1,500 people paid their respects at his wake held at the high school. And, this past January, the road leading to the recently-renovated high school was officially renamed "John Fidler Way" and a memorial plaque was placed at the school.

John Fidler was an individual with an intense passion for students, education, and athletics who demonstrated throughout his life and career the positive impact a committed leader can have. The CIAC Boys and Girls Basketball Committees are thrilled to honor John Fidler with the CIAC Boys & Girls Basketball Dedication Award.

**The Connecticut Department of Public Health
wants to congratulate the athletes and
their families on reaching the
2018 CIAC State Championships!**

We wish you safe and healthy gameplay!

The mission of the Connecticut Department of Public Health's (DPH) Office of Injury Prevention is to promote a safe and healthy Connecticut by reducing factors associated with intentional, unintentional, and occupational injury. The Office focuses on observing and addressing rates of injuries in work environments, homes, schools, communities, on the roads, and at play areas. In addition, the Office oversees community-based programs that address risk and resiliency factors associated with injury and implements strategies to decrease injury.

The Connecticut Association of Schools is proud to partner with the Connecticut Department of Transportation's Highway Safety Office. The goal of the Connecticut Highway Safety Program is to prevent roadway fatalities and injuries as a result of crashes related to driver behavior.

For the 2017-2018 high school athletic season, the Highway Safety Office will bring their 'Drive Sober or Get Pulled Over' and 'One Text or Call Could Wreck it All' messaging to state tournament games. We hope that by encouraging all athletes, families, fans and the entire community to drive sober and without distraction that we can help keep drivers and passengers safe and encourage responsible driving behavior.
