Re: Connecticut High School Coaches All-Star Festival

Dear Coach,

On Friday, March 18, 2005 the Connecticut High School Coaches Association will be sponsoring the 19th Annual Girls All-Star Festival. There will be 2 teams that will compete in the Small/Medium Division Game at 6:00 P.M. A serious effort will be made to select to fairly equal teams, one from the East and one from the West. Some years there may not be a lot of talent in one area so players from towns that may have been considered an East Team may need to play for the West Team. After the S/M game a second game will be played by teams from the East and West, representing the L and LL schools. The second game will begin at 7:30. All coaches are encouraged to nominate their outstanding senior players. Most often each school will only be represented by one player but sometimes, 2 players MAY be selected. The All-Star coaches will be selecting their teams. Be sure to submit your nomination forms before February 12th.

Anyone who would like to coach should submit a brief resume in order to be selected. We will keep your information stored for 3 years. Coaches need to be members of the Connecticut High School Coaches Association and must have been a Varsity Head Coach for at least 5 years and demonstrate some success.

The CHSCA is also looking for nominations for “Assistant Coach of the Year” so if your assistant is worthy or if you know of anyone who is deserving please submit his/her name.

Good Luck during the rest of the season...Please submit names of players/coaches.

Thanking you in advance,

Chris Webster, North Branford High School (203) 484 – 1465
