April Showers Brings Service Hours

Community service is a selfless act that benefits those around you.

In addition to our new service we kept our spirit initiative going!

Each day was a different spirit day; the class with the most participation earned spirit points!

During lunch waves we played various minute-to-win-it games, with one participant from each class-playing to earn their respective grade more spirit points!

Goldfish toss
Eye On Your Oreo
Balloon hockey
Frozen feet
The Elephant Challenge

Monday- School Colors
Tuesday- Class Colors
Wednesday- Workout Wednesday
Thursday- Throwback Thursday
Friday- Rainbow

How to Improve a Past Initiative?

BHS Spirit Games began in December 2013 and have been improved to not only revolve around increasing school spirit but to now incorporate student leaders giving back to our community.

Bolton High School's Initiative: Spring for Service Games

To get every high school in Connecticut to participate in a service project during the month of April to show our state how we, as student leaders, can positively influence our communities.

Projects that BHS Students Can Participate In:

TrashMob

Service Games

Treats for Troops

Work Party at Rose Farm
