Membership Invoice

May 2008

Dear Principal:

This is your CAS dues invoice for 2008-2009. For your convenience the *Annual Membership Agreement* is on-line in *the Member Schools* section of the CAS website. You will need to check that you have read and accept the conditions of membership when you edit your school's membership directory data. Also, for schools that cannot process payment before September 1, 2008.

In addition to your CAS dues invoice, we have included invoices for the Connecticut Association of National Honor Societies (CANHS) and the Connecticut Association of Student Councils (CASC). Middle schools that wish to join these subsidiaries of CAS may add fifty dollars (\$50) for each membership to their CAS dues and pay with one check.

Your school may have an athletic director different than the high school athletic director. We have included the option to have your athletic director join the Connecticut Association of Athletic Directors (CAAD) as an associate member for \$30.

We value your membership and look forward to continuing to serve middle schools, principals and teachers in Connecticut.

Sincerely,

Michael H. Savage
