The CIAC is proud to partner with the Connecticut Department of Transportation's Highway Safety Office. The goal of the Connecticut Highway Safety Program is to prevent roadway fatalities and injuries as a result of crashes related to driver behavior.

For the 2021-2022 high school athletic season, the Highway Safety Office will bring their 'Drive Sober or Get Pulled Over' and 'One Text or Call Could Wreck it All' messaging to state tournament games. We hope that by encouraging all athletes, families, fans and the entire community to drive sober and without distraction that we can help keep drivers and passengers safe and encourage responsible driving behavior.
