

The CT Association of School Librarians is hosting an in-person event for all lovers of literacy at Brookside Elementary School, 382 Highland Ave., Norwalk, CT 06854

## Saturday, March 7, 2026

FREE! Join **educators**, **librarians**, **authors** and **illustrators** from Connecticut and beyond for an amazing day of literacy learning.

*(You don't have to be a CASL member to join the fun!)*

Bring your ideas, thoughts & questions. During registration, we'll develop sessions (for example, AASL Standards, Science of Reading, best practices for using nonfiction, collaboration, all topics literacy, and more), and create the schedule for the day using the Edcamp unconference model.

Over 30 authors & illustrators will participate throughout the day. Plus, they will sign books! Books will be available for purchase from a local independent bookseller. Bring books for our book swap. Get ready for your TBR (to be read) list to grow!
