### Current Language

The Boys and Girls Soccer Committee voted to apply a success in tournament factor when placing schools\* that draw students from outside their school district boundaries in tournament divisions. The Committee will first place schools in their divisions by enrollment and then use success in tournament to move schools up in division and then rebalance the divisions. ***Schools that draw from outside their school district boundaries who have been in the semi-finals or above two of the last three years will move up one division. Schools that have been in the semi-finals three of the last three years will move up two divisions. The most any school could move would be two divisions.*** Each year the committee will review results from the past three years and make adjustments as appropriate. Schools can move up or down depending on their success in tournament play.
