

CIAC SOCCER COMMITTEE
MINUTES
4/27/23

I MINUTES - The committee approved the minutes from the April 4, 2023 meeting with one correction.

II SUCCESS IN TOURNAMENT – The committee continued the discussion concerning the Success in Tournament factor used in both boys' soccer and girls' soccer. At the 4/4/23 meeting, the committee reviewed the numeric system currently used in girls' basketball. The committee looked at an application of the system to soccer and continued their discussion. A proposal was made to adopt the numeric system and the proposal passed as a "one year approval" by a 9-0 vote.

III YELLOW CARD RULE SUBCOMMITTEE REPORT – A subcommittee was formed at the last committee meeting to look at the reporting of yellow/red cards. The subcommittee will also look at differentiating the types of yellow cards and how that will impact teams going on probation. The subcommittee had a very effective meeting where the members looked at all the card data for the last year. The group focused on three types of cards that are truly unsportsmanlike—red cards, dissent, and vulgar and profane language. The subcommittee also discussed giving cards from an official's perspective and working toward helping officials. The group also looked at teams that were placed on probation and the types of cards that were issued to those teams. There was discussion by the full committee concerning officials who do not report cards. The subcommittee will meet again and will come to the full committee with recommendations.
