ALERT PAGE

- **Tournament Team Format** – The top four (4) scoring teams in the divisional meets will qualify to compete in the Open Meet to determine an Open team champion as well as a runner-up team. The top two teams in the Open Meet will represent Connecticut in team competition at the New England Gymnastics Championships.
- **Regular Season Scores** -- All regular season meet scores MUST be entered online no more than 24 hours following the game's completion. It is highly recommended that scores are entered from the site as soon as the game ends.

Scores may be entered via the Online Eligibility Center, the "Submit Scores/Forms" option of the "CIAC for Coaches" menu at CIACsports.com, or the "Submit Scores" button in our CIACmobile.com mobile site. Entering scores at CIACsports.com or CIACmobile.com requires either a coaches or scorekeeper's access code, those codes are managed via the Online Eligibility Center and can be retrieved from a school's athletic director.

- Only individual qualifying girls will be eligible to medal in each event and the all-around as determined under section 6.0 of the tournament packet. Also, the top 20 all-around scorers from the regular season will qualify for the all-around.
- Individuals competing in a non-school meet as unattached may not have their scores count for an outside team.
- December 17, 2014 is the final date for scheduling new meets that will count for tournament.
- **Scrimmages** – Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage. All sports teams will have a minimum of fourteen (14) practice days before the date of the first scheduled competition. Sundays do not count as a day of practice. Saturdays and holidays may be used as practice days unless prohibited by local board policy or the CIAC committee on seasons limitations. An individual athlete must participate in a minimum of ten (10) practices prior to competition unless the athlete has been participating in a sport that overlaps with a winter sport and then would not be required to complete ten (10) practices prior to competition.
- **Special Needs Students** – Coaches are reminded to inform contest officials prior to each competition of any special needs student who could be competing in the contest when his/her disability could impact the individual's performance or the conduct of the competition.
- **CIAC Tournament Site Media Policy** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:
 1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.)
 2. Access to electric power (shared power strip, etc.)
 3. Access to wireless internet service

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on-site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

4.0 QUALIFYING

- 4.1 To be eligible for consideration for the **Team Divisional Championship**, a team must have participated in a minimum of six (6) meets during the regular season. Only the first two meets with any single full team will count for tournament purposes.
- 4.2 Dual, tri, quad meets shall count. Each score from these meets shall count as ONE SCORE toward championship meet qualification. Do not, for example, count your score from a tri meet two times.
- 4.3 Individual and team scores must be submitted after each meet on the eligibility center or the submit scores/forms option under the CIAC for coaches menu at ciacsports.com or the submit scores button in our ciacmobile.com mobile site. Entering scores at ciacsports.com or ciacmobile.com requires either a coaches or scorekeeper's access code, those codes are managed via the online eligibility center and can be retrieved from the school's athletic director. Failure to have all updated scores submitted by February 24 will result in that school being fined \$50.
- 4.4 All meet scores to be considered for team and individual tournament qualification shall have at least one rated official per event. (If more than one event is going on at one time, use at least one rated official at each event.)
- 4.5 Gymnasts, including members of one person teams must have been members of their school team for a minimum of six meets during the regular season to be eligible for participation in the Division Team Championship or in the Individual Open Championship.
- 4.6 Gymnasts who have been approved to participate as one person teams shall only compete for CIAC tournament qualification in CIAC regular season competitions that are scheduled by the "receiving school" with which the one person team gymnast(s) participates. (A receiving school is the school that accepts the approved participation of the "one person" team.) **The final date to apply for one person team status is December 17, 2014.**
- 4.7 **All schools, including one person teams and cooperative teams are responsible for submitting all CIAC information and must ensure supervision by Connecticut certified coaches for their athletes at all meets and tournaments.** One person teams may enter their league championship meet scores under their host team's league championship meet.
- 4.8 Gymnastics teams of CIAC member schools may compete for qualifying purposes with schools in these categories:
 - Schools which are members of CIAC
 - Out-of-state schools which are members of their state association
 - The American School for the Deaf

NOTE: Girl gymnasts on CIAC member school teams are permitted to participate in a maximum of four (4) USGA-sanctioned meets during the course of the interscholastic girls' gymnastics season as unattached participants. (See "unattached" definition in CIAC Handbook.) Requests for permission to participate must be made to the individual gymnast's school principal. CIAC weekly limitations must be observed. Failure to receive permission violates Rule II.E. of the CIAC Code of Eligibility. **School competitions must not be missed in order to compete in a non-school meet.**

5.0 TEAM DIVISIONAL CHAMPIONSHIPS

- 5.1 Twenty-four school teams are invited to participate in the Team Division Championship. Athletes who are members of one person teams are eligible to qualify for the Open Individual Championship throughout the regular competition season. The Team Division Championship is for school teams with four (4) or more members.
- 5.2 Process used by the committee at the end of season seeding meeting to determine qualifying teams for the Team Division Championship:
- Team averages are listed from highest to lowest, based on the top six (6) team scores achieved during the regular season. **Scores are averaged as follows: the highest score is discarded and the next five highest scores are averaged.**
 - School teams with the top 24 averages are identified.
 - This list is then divided into three divisions of eight (8) schools each, based on girls enrollment (grades 9-12) from the previous year.
- 5.3 During the Team Division Championship the top four (4) scores per apparatus for each team will count toward the team score. Each team may compete a maximum of six (6) gymnasts per event. Competition must be designated prior to the seeding meeting.
- 5.4 The team divisional championship will be run as a team meet with no more than six (6) gymnasts from one school competing as a team at each event.

6.0 INDIVIDUAL QUALIFICATION – OPEN INDIVIDUAL TOURNAMENT

- 6.1 **Tournament Format** – For 2015, the top 40 girls overall will be accepted into the Open Meet in each of the four competitive events. In the event of a tie for 40th place, those girls tying for the 40th spot will be accepted into the respective individual event. If a girl qualifies in all four events, she will be eligible to medal in the all-around. Also, the top 20 all-around scores during regular season meets will qualify for the all-around competition in the Open Meet.

The top four scoring teams in the divisional meets will qualify to compete in the Open Meet to determine an Open team champion as well as a runner-up team. The top two teams in the Open Meet will represent Connecticut in team competition at the New England Gymnastics Championship.

Only individual qualifying girls will be eligible to medal in each event and the all-around as determined under section 6.0 of the tournament packet.

All gymnasts are required to compete in a minimum of five (5) meets. The average of the best four scores after the highest score is eliminated (per individual/per event, including all-around) achieved during the regular season competition will be used to determine qualification for the Open tournament.

- 6.2 If a gymnast was unable due to an injury to record a minimum of five (5) scores in order to qualify according to the regulations, a request for a “bye” into the Open individual tournament may be submitted for consideration by the CIAC Girls Gymnastics Committee.
- The request must be submitted in writing by the athletic director of the school for which the gymnast competes;
 - The request must be accompanied by medical documentation testifying that the gymnast was unable to compete;
 - The gymnast must have participated in at least three meets;
 - The average of the gymnast’s scores must meet or exceed the qualifying mark;
 - The decision of the Committee is final.

- 6.3 **New England Championships** – The top three (3) scoring teams at the Open tournament and medalists (top six) from the Open tournament will represent Connecticut at the New England Championships.

The record of the official scorekeeper at the conclusion of the championship is final unless an error is discovered. Such error shall be corrected as covered by specific meet rules. CONCUSSION MANAGEMENT AND RETURN TO PLAY REQUIREMENTS

“WHEN IN DOUBT – SIT IT OUT”

A concussion is a type of traumatic brain injury or (TBI), “that changes how the cells in the brain normally work. A concussion is caused by a blow to the head or body that causes the brain to move rapidly inside the skull. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. Concussions can also result from a fall or from players colliding with each other or with obstacles, such as a goalpost” (Centers for Disease Control and Prevention, 2009).

PART I -- SIGNS AND SYMPTOMS OF A CONCUSSION

– A concussion should be suspected if any one or more of the following signs or symptoms are present, or if the coach/evaluator is unsure.

1. Signs of a concussion may include (what the athlete looks like):

- Confusion / disorientation / irritability
- Trouble resting / getting comfortable
- Lack of concentration
- Slow response / drowsiness
- Incoherent / slurred speech
- Slow / clumsy movements
- Loss of consciousness
- Amnesia / memory problems
- Act silly / combative / aggressive
- Repeatedly ask same questions
- Dazed appearance
- Restless / irritable
- Constant attempts to return to play
- Constant motion
- Disproportionate / inappropriate reactions
- Balance problems

2. Symptoms of a concussion may include (what the athlete reports):

- Headache or dizziness
- Nausea or vomiting
- Blurred or double vision
- Over sensitivity to sound / light / touch
- Ringing in ears
- Feeling foggy or groggy

Note: Public Act No. 10-62 requires that a coach MUST immediately remove a student-athlete from participating in any intramural or interscholastic athletic activity who (A) is observed to exhibit signs, symptoms or behaviors consistent with a concussion following a suspected blow to the head or body, or (B) is diagnosed with a concussion, regardless of when such concussion or head injury may have occurred.

PART II – RETURN TO PARTICIPATION (RTP)

– Currently, it is impossible to accurately predict how long concussions will last. There must be full recovery before someone is allowed to return to participation. Connecticut Law now requires that no athlete may resume participation until they have received written medical clearance from a licensed health care professional (Physician, Physician Assistant, Advanced Practice Registered Nurse, Athletic Trainer) trained in the evaluation and management of concussions.

Concussion management requirements:

1. No athlete SHALL return to participation (RTP) on the same day of concussion.
2. Any loss of consciousness, vomiting or seizures the athlete MUST be immediately transported to the hospital.
3. Close observation of an athlete MUST continue following a concussion. This should be monitored for an appropriate amount of time following the injury to ensure that there is no escalation of symptoms.
4. Any athlete with signs or symptoms related to a concussion MUST be evaluated from a licensed health care professional (Physician, Physicians Assistant, Advanced Practice Registered Nurse, Athletic Trainer) trained in the evaluation and management of concussions.

5. The athlete MUST obtain written clearance from one of the licensed health care professionals mentioned above directing them into a well-defined RTP stepped protocol similar to one outlined below. If at any time signs or symptoms should return during the RTP progression the athlete should cease activity*.
6. After the RTP protocol has been successfully administered (no longer exhibits any signs or symptoms or behaviors consistent with concussions), final written medical clearance is required by one of the licensed health care professionals mentioned above for them to fully return to unrestricted participation in practices and competitions.

Medical Clearance RTP Protocol (Recommended one full day between steps)

Rehabilitation stage	Functional exercise at each stage of rehabilitation	Objective of each stage
1. No activity	Complete physical and cognitive rest until asymptomatic. School may need to be modified.	Recovery
2. Light aerobic activity	Walking, swimming or stationary cycling keeping intensity, <70% of maximal exertion; no resistance training	Increase Heart Rate
3. Sport Specific Exercise	Skating drills in ice hockey, running drills in soccer; no head impact activities	Add Movement
4. Non-contact training drills	Progression to more complex training drills, i.e., passing drills in football and ice hockey; may start progressive resistance training	Exercise, coordination and cognitive load
5. Full Contact Practice	Following medical clearance, participate in normal training activities	Restore confidence and assess functional skills by coaching staff

* If at any time symptoms should return during the RTP progression the athlete should stop activity that day. If the athlete's symptoms are gone the next day, s/he may resume the RTP progression at the last step completed in which no symptoms were present. If symptoms return and don't resolve, the athlete should be referred back to their medical provider.
